Presenting the

1956 Cougar

by the SENIOR CLASS *of* Kutztown Area High School

Foreword

We, the class of 1956, proudly present this edition of the *Cougar*, an epitome of our final years at KAHS. Though future years may find us far from home, this yearbook will remain as a lasting memento of our school days; the grueling classes, the homework, the pranks, and the friends. We extend our gratitude to the school board, administration, faculty, and schoolmates who have given us much to remember.

The complete responsibility of planning and publishing the *Cougar* is that of the yearbook staff of KAHS. In our junior year the staff began the arduous task of selecting a theme. During the summer vacation the *Cougar* was planned. When September arrived, pictures were taken by a commercial photographer for our pictorial record, an acceptable layout was perfected, finances were managed, individual write-ups assigned, and subscriptions were taken. Soon the book began to take shape under the capable direction of our adviser, Mr. Harold Hehr. With the completion of the *Cougar*, we the yearbook staff, as representatives of the Senior Class, now pass this annual to you—the faculty, the student body, and our friends.

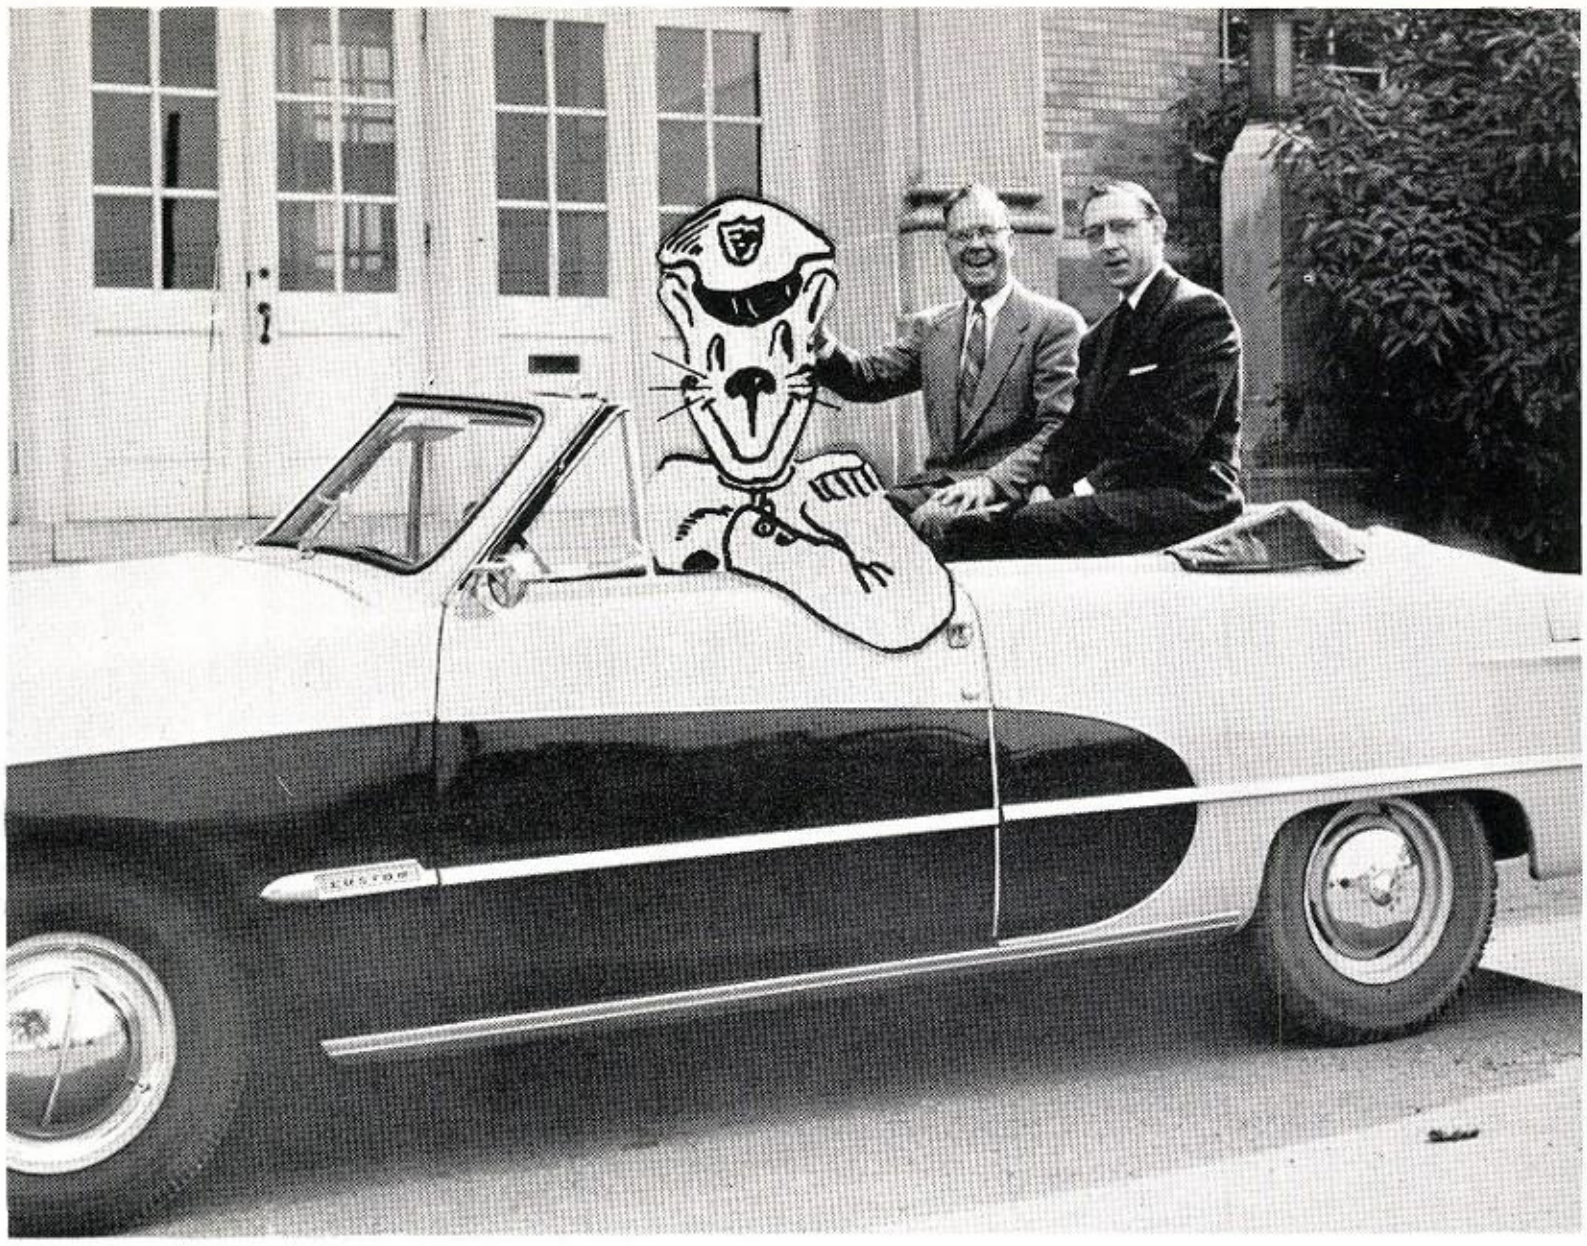
The
PARADE



MESSAGE TO THE CLASS OF 1956

You may compare your high school days to an interesting trip. During your years in high school you have journeyed through the land of knowledge and power. Your journey was fairly well charted for you by those who have gone before, and you have had excellent guides in your teachers. Yet, your teachers could be with you only a short time each day, as much of their time was shared with your classmates.

Your high school has sought to afford you the opportunity for development toward a well-rounded life of effective service enriched by a proper appreciation of life's leisure hours. Yet, after all, that development will depend chiefly upon you. At best your high school can only afford you opportunity. What you make of it depends upon your ambitions, initiative and the goals you have set for yourself.

To you, the class of 1956, best wishes for success.

L. Merlin Stauffer

Principal,
Kutztown Area Schools

The pathway to success will not be too easy. Expect to work hard and at times to encounter some disappointments. Be determined, set your goal and keep climbing ever onward and upward! Success is earned, it is not found! In earning success base your progress on knowledge, wisdom, hard work, honesty, respect for others, cooperation, thrift, and Divine Providence.

My personal good wishes go with each member of the Class of 1956. May you find satisfaction, happiness, and success in life.

After many years of preparation you have reached the goal of graduation. This means receiving your high school diploma and stepping onto the threshhold of adult responsibilities.

Your teachers, Board of Education, and I rejoice with you for having attained this goal. We express to each of you our sincerest congratulations.

Throughout your public school life you, the pupils, have been our first consideration. It was our aim to have you recognize those democratic values to which America is dedicated, so that you would be prepared to contribute in a positive manner.

Band

Many strenuous hours of practice were put forth by our band to perform for forthcoming events. The first main event was the Fall Concert, in which soloists Reba Angstadt, Stanley Saul, and the trumpet trio of Patricia Beck, Richard Fisher, and Clark Weisner were featured. The Spring Concert, which featured Carl Mantz, Marlow Kroninger, Marcia Kroninger, and Patricia Beck as soloists was the second highlight. Seen in the pit playing processionals and recessionals for assemblies, Senior Class Play, Dramatic Club Plays, and Commencement, the band completed another successful year under the direction of Mr. William S. Moyer. A few of the members participated in County Band and Orchestra and State Band. Ending the year's activities, a picnic was held for all of the members.

Alpha-Beta Tri-Hi-Y

The Tri-Hi-Y is divided into the Alpha and Beta groups. Together they participate in rallies, Teen Talks, and sponser the Semi-Formal Dance and Mother-Daughter Banquet. The theme for the Semi-Formal this year was "Moonlight Fantasy." The girls' diligent preparation for the dance many weeks in advance made it enjoyable for many couples. This year for the first time the Kutztown Tri-Hi-Y acted as hosts for the Tri-Hi-Y Older Girls' Conference. The conference, attended by one hundred and twenty-five girls from other schools, was held at KAHS, and meals were served at the Grange Hall. The girls were lodged for the week end in Kutztown homes.

Activities such as collecting food and clothing for a needy family and participating in the magazine campaign have kept the club busy. They also contributed to World Service, held a bake sale, and staged two talent shows.

Library Assistants

The library assistants are made up of a group of volunteers that assist Mrs. Dolan, the librarian. The twenty-five assistants get no credit, but help for the satisfaction they get out of it. This group works at the desk, distributes magazines, mends books, puts books on shelves, and writes overdue notices.

Boys of the senior club have an opportunity to make contacts with members of other high schools as well as with the Y.M.C.A., the parent organization. Sponsored by Mr. Keim, who is in charge of equipment, and Mr. Gougler, who is in charge of the programs, the Projector Club enjoys seeing movies. This club, which admits only boys, sees full-length films shown during the noon hour and club periods. Two of the outstanding films viewed this year were: "Africa Screams" with Abbott and Costello and "Yellowstone," a movie of educational as well as recreational interest.

Bolt and Bore Junior Rifle Club

The activities of this club give the target shooters of the school a chance to show their skill in steadying that rifle. It is open to all those boys from grades nine to twelve who are seriously interested in target shooting. The boys meet during after school hours to shoot and qualify for awards and medals.

The aim of this group is to promote a greater knowledge of the sport of artificial fly tying and the use of them. The activities of the club include tying classes, an annual fishing contest, and fishing trips. The club is open to anyone with an interest in fishing.

"Keep to the extreme right please. No, you may not go to your locker unless it's for gym clothing. Hey, you, you have to walk around me. Two abreast, please, not three." These commands and many more are typical of our hall patrols, consisting of junior and senior boys and Student Council members. The purpose of this program was to speed up hall traffic and eliminate the bottlenecks and jam-ups.

Chorus

This year the chorus proudly displayed for the first time its new gowns in the fall concert. They were the result of an extensive money-raising campaign conducted by Mrs. Stauffer and her choristers. The group participated in the fall and spring concerts and entertained the student body in its holiday assemblies. Members of this group were selected to sing in the County Chorus.

Fine sportsmanship displayed at games and in the school is a result of the effort put forth by these clubs.

The B.A.A. activities included a Christmas party with the exchange of gift, a trip to Philadelphia for a baseball game, and attending college games to stimulate interests.

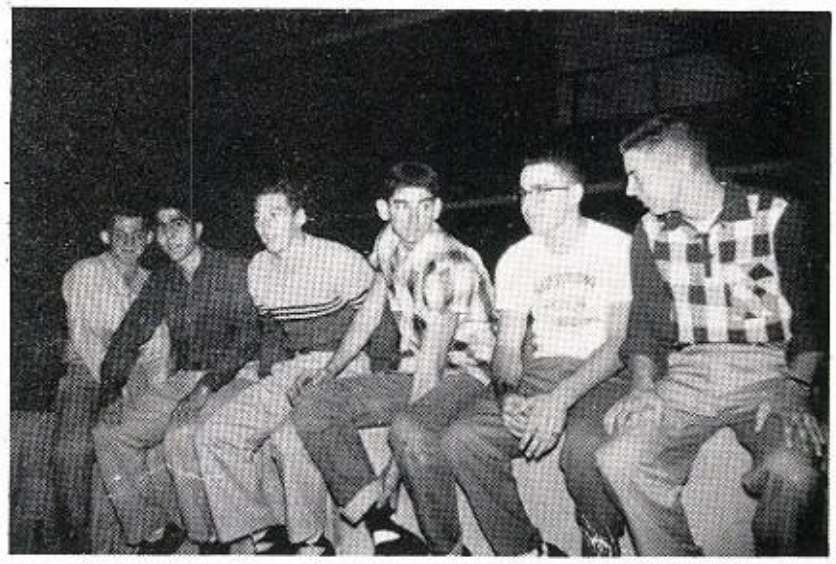
Who turned out the lights?

Beat Brandywine.

I saw it first.

Hey! Who won?

What are they up to now?



Look! We've been good boys long enough.

"Heifer"

Too big for his crutches.

The atmosphere's tense as this man and his wife
Prepare for the air raid, the ruin, the strife.
For lunchtime is coming, the hordes will descend
Upon Dan Kline's store, will his trouble ne'er end?

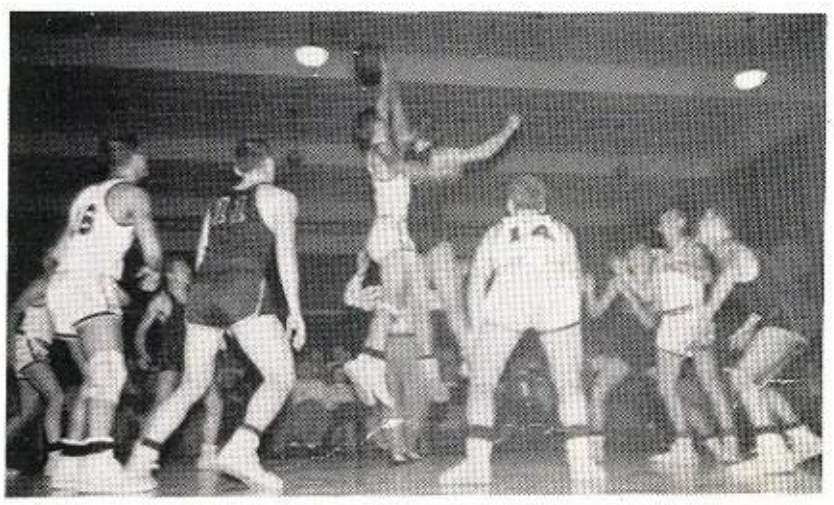
Explosions are a common sight,
The chemistry instructor's fate,
They give the pupils quite a fright,
And singe the hair from Frank Keim's pate.

Onward, press onward,
Oh, time, in thy flight.
Make the bell ring
Before I recite.

Shine anyone?

You have a brown nose.

Reaching for the moon.



Our leisure hours.

The pencil machine is on top of the case,
The magazine rack has been moved from its place,
The room is a shamble; the reason is clear,
The library's open, but Dolan's not here.

A bellow echoes through the halls,
It shakes the lockers and the walls,
The dishes crack; the windows bust,
Another teacher bit the dust.

Varsity Basketball

The Cougars this year came close to their county goal but were eliminated in the last game of the regular season by Mount Penn, who later won the county crown. Captain Ron Druckenmiller poured in shot after shot to lead the division in scoring and place second in the league. They may not hold a crown, but in our minds they are champs.

JV Basketball

Our Jayvees did well in spite of their handicap of inexperience. Stanley Saul's dribbling skill and Gene Stump's outside shots thrilled the fans and bewildered the opponents. There was never a dull moment while the baby Cougars occupied the court. In spite of this year's record, these jayvees have shown outstanding promise to be champions of the future.

Soccer Team

The first seven of our eight scheduled soccer games were Cougar victories with only one point slipping past our goalie, Don Hoppes. Our loss to Fleetwood sent us to a playoff game with our chief rival, Hamburg. After twelve scoreless periods the game was called on account of darkness. In the next day's game, the tide turned and Hamburg emerged victorious. In spite of this defeat, the KAHS booters have much to be proud of—and so do we.

"One! Two! Three strikes you're out!" was a familiar chant of the umpire, thanks to our ace hurlers. Not all the opponents struck out, but when they did manage to connect with the ball, the rest of the team was always on the job. The KAHS players were in a tough league with last year's winners and a new threat, Brandywine. It is certainly hoped that the baseball team will continue "bringing home the bacon" to KAHS.

Well, we made it! We can hardly believe the time has flown by so quickly. Our biggest thrill came in September when we passed through the doors as exalted seniors. Our last year together as a class was a happy one filled with hard work and fun. We take with us memories that will never be forgotten as we step, not with uncertainty, into the future and take our places in the world.

Class Play

This year's class play, under the direction of Mrs. John Lannon, was a thrilling mystery. A red arm, belonging to stage manager Fred Reinert, created an atmosphere of suspense as it hurled a dagger through the French doors and kept the audience on the edge of their seats by appearing from time to time between the curtains.

The play takes place at Dr. McHarge's health resort, whose original owner had disappeared ten years earlier. Newspaperman Ralph Graves, intent on uncovering the mystery of the terrorizing Red Spider, struggles through a web of baffling complications.

The characters were well represented by the following members of the senior class:

Dr. Arthur McHarge ..... Carl Mantz
Valerie McHarge ..... Reba Angstadt
Josephine Glover ..... Marjorie Kniss
Miss Piney ..... Corrine Kroninger
Zeb O'Kelly ..... William Lesher

Driver Education

Harold S. Fleischer

A course initiated this year for the juniors and seniors is driver training. Its purpose, as stated by Mr. Fleischer, is to create careful drivers and develop a more sportsman-like attitude on the road. A total of eighty-five students are enrolled this year, sixty of whom are taking the road work as well as the class work. The remaining twenty-five are taking only the class work. The students are taught safety on the road, the functioning of the automobile, and pedestrian safety. In addition to learning careful driving on the highway, the students learn parking and the many other useful skills of driving. The fact that almost every student will operate a vehicle some time in his life has made this course indispensable.
